If you have any queries about our professional services, or would like to discuss your individual requirements in further detail, please don't hesitate to give us a call.

Testimonials

We love what we do and we're very proud of Chinwag Jobs, so it warms our hearts when others feel the same:

James Gould, European HR Manager, Yahoo!

"Chinwag Jobs provides a specialist service that really connects with this niche audience. It's quickly become an essential part of Yahoo!'s recruitment strategy."

Julian Davidson, HR Manager, Sega

"From a recruitment perspective Chinwag has quickly and easily delivered a number of quality candidates particularly so for our online marketing vacancies. Another benefit of using Chinwag has been the fantastic service we receive from the Chinwag team. They are quick to respond and only too happy to help you get the best from their service."

Tom Evans, Founder and Creative Director, Mook

"If you want to beat the recruitment agencies at their own game I suggest you use Chinwag Jobs. It's a great service and they're a nice bunch of people, too!"

Sasha Francis, MRM Worldwide

"Your site is so well known in the industry but I think the changes you have made will increase the traffic even more. It's so nice to be able to log on to a user-friendly site and place my own advertisements without having to use recruitment agencies!!"

Liam Morgan, Director, Cogs Agency

"Chinwag Jobs has delivered quality digital candidates in a skill-short market. The site continues to serve as a key partner for all our online recruitment advertising, as well as providing impressive levels of customer service."
